

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

# STANDARD AND POPULAR WORKS ON BOTANY.

---

**THE NATURAL HISTORY OF PLANTS.** By H. BAILLON, Pres. Linn. Soc. of Paris. Super-royal 8vo. Vols. I. to V., with 2,300 Wood Engravings, 25s. each. [Vol. VI. *in the press.*]

**HANDBOOK OF THE BRITISH FLORA:** a Description of the Flowering Plants and Ferns indigenous to, or naturalised in, the British Isles. By G. BENTHAM, F.R.S. Fourth Edition, 12s.

**DOMESTIC BOTANY;** an Exposition of the Structure and Classification of Plants, and of their uses for Food, Clothing, Medicine, and Manufacturing Purposes. By JOHN SMITH, A.L.S., ex-Curator of the Royal Botanic Gardens, Kew. 16 Coloured Plates. 16s.

**BRITISH WILD FLOWERS,** Familiarly Described in the Four Seasons. By THOMAS MOORE, F.L.S. 24 Coloured Plates. 16s.

**BRITISH FUNGOLOGY.** By the Rev. M. J. BERKELEY, M.A., F.L.S. 24 Coloured Plates. 30s.

**THE ESCULENT FUNGUSES OF ENGLAND.** Containing an Account of their Classical History, Uses, Characters, Development, Structure, Nutritious Properties, Modes of Cooking and Preserving, &c. By C. D. BADHAM, M.D. Second Edition. Edited by F. CURREY, F.R.S. 12 Coloured Plates. 12s.

**BRITISH MOSSES,** containing all that are known to be Natives of the British Isles. By the Rev. M. J. BERKELEY, M.A., F.L.S. 24 Coloured Plates. 21s.

**BRITISH GRASSES.** By M. PLUES. 16 Coloured Plates and 100 Wood Engravings. 10s. 6d.

**BRITISH FERNS;** with Chapters on the Structure, Propagation, Cultivation, Diseases, Uses, Preservation, and Distribution of Ferns. By M. PLUES. 16 Coloured Plates and 55 Wood Engravings. 10s. 6d.

**BRITISH SEAWEEDS.** By S. O. GRAY. 16 Coloured Plates. 10s. 6d.

**THE BRITISH FERNS;** Coloured Figures and Descriptions of the Ferns of Great Britain and Ireland. By Sir W. I. HOOKER, F.R.S. Royal 8vo. 66 Coloured Plates. £2 2s.

**GARDEN FERNS;** Coloured Figures and Descriptions of a Selection of Exotic Ferns, adapted for Cultivation in the Garden, Hothouse, and Conservatory. By Sir W. J. HOOKER, F.R.S. Royal 8vo. 64 Coloured Plates. £2 2s.

**FERNY COMBS;** a Ramble after Ferns in the Glens and Valleys of Devonshire. By CHARLOTTE CHANTER. Third Edition. 8 Coloured Plates and a Map of the County. 5s.

**OUTLINES OF BOTANY,** with Special Reference to Local Floras. By GEORGE BENTHAM, F.R.S. New Edition. 1s.

*For other Works see Catalogue at the end of this Volume.*

OF THE  
BRITISH FLORA.

## PREFACE.

---

THE Illustrated Edition of Mr. Bentham's "Handbook of the British Flora" being exhausted, the Wood engravings of that work are here reproduced as an Illustrated Companion to the "Handbook" and other British Floras. The Cuts are arranged according to the last Edition of the "Handbook," and new Cuts of the species admitted in recent Editions are added. To facilitate reference from other Floras, where the nomenclature differs from that of the "Handbook," synonyms, in italics, are incorporated in the Index. In this volume and the "Handbook" combined, Students will have, in a more convenient and portable form, all that the Illustrated Edition contained, at little more than one-third the cost.

1. *Clematis vitalba*.

2. *Thalictrum alpinum*.

3. *Thalictrum minus*.

4. *Thalictrum flavum*.

5. *Anemone pulsatilla*.

6. *Anemone nemorosa*.

7. *Adonis autumnalis*.

8. *Myosurus minimus*.

9. *Ranunculus aquatilis*.

10. *Ranunculus hederaceus*.

11. *Ranunculus lingua*.

12. *Ranunculus flammula*.

13. *Ranunculus ophioglossifolius*.

16. *Ranunculus auricomus*.

14. *Ranunculus ficaria*.

17. *Ranunculus acris*.

15. *Ranunculus sceleratus*.

18. *Ranunculus repens*.

19. *Ranunculus chærophyllus*.

21. *Ranunculus philonotis*.

22. *Ranunculus parviflorus*.

20. *Ranunculus bulbosus*.

23. *Ranunculus arvensis*.

24. *Caltha palustris*.

25. *Trollius europæus*.

26. *Helleborus viridis*.

27. *Helleborus foetidus*.

28. *Aquilegia vulgaris*.

29. *Delphinium ajacis*.

30. *Aconitum napellus*.

31. *Actæa spicata*.

32. *Pæonia officinalis*.

33. *Berberis vulgaris*.

34. *Nymphaea alba*.

35. *Nuphar lutea*.

36. *Papaver somniferum*.

37. *Papaver rhoeas*.

39. *Papaver hybridum*.

38. *Papaver dubium*.

40. *Papaver argemone*.

41. *Meconopsis cambrica*.

43. *Rømeria hybrida*.

42. *Chelidonium majus*.

44. *Glaucium luteum*.

45. *Fumaria officinalis*.48. *Matthiola incana*.46. *Corydalis lutea*.47. *Corydalis claviculata*.49. *Matthiola sinuata*.

50. *Cheiranthus cheiri*.

52. *Nasturtium officinale*.

51. *Barbarea vulgaris*.

53. *Nasturtium sylvestre*.

54. *Nasturtium palustre*.

55. *Nasturtium amphibium*.

56. *Arabis perfoliata*.

57. *Arabis turrita*.

58. *Arabis hirsuta*.

59. *Arabis ciliata*.

60. *Arabis thaliana*.

62. *Arabis petraea*.

61. *Arabis stricta*.

63. *Cardamine amara*.

64. *Cardamine pratensis*.

65. *Cardamine impatiens*.

66. *Cardamine hirsuta*.

67. *Cardamine bulbifera*.

68. *Hesperis matronalis*.

69. *Sisymbrium officinale*.

70. *Sisymbrium irio*.

71. *Sisymbrium sophia*.

72. *Alliaria officinalis*.

73. *Erysimum cheiranthoides*.

74. *Erysimum orientale*.

75. *Brassica tenuifolia*.

77. *Brassica monensis*.

76. *Brassica muralis*.

78. *Brassica oleracea*.

79. *Brassica campestris*.80. *Brassica alba*.81. *Brassica sinapistrum*.82. *Brassica nigra*.

83. *Brassica adpressa*.

84. *Cochlearia armoracia*.

85. *Cochlearia officinalis*.

86. *Alyssum calycinum*.

87. *Alyssum maritimum*.

88. *Draba aizoides*.

89. *Draba hirta*.

90. *Draba incana*.

91. *Draba muralis*.

92. *Draba verna*.

93. *Camelina sativa*.

94. *Subularia aquatica*.

96. *Thlaspi perfoliatum*.

95. *Thlaspi arvense*.

97. *Thlaspi alpestre*.

98. *Teesdalia nudicaulis*.

99. *Iberis amara*.

101. *Capsella bursa-pastoris*.

100. *Hutchinsia petraea*.

102. *Lepidium campestre*.

104. *Lepidium draba*.

103. *Lepidium smithii*.

105. *Lepidium latifolium*.

106. *Lepidium ruderales*.

108. *Senebiera didyma*.

107. *Senebiera coronopus*.

109. *Isatis tinctoria*.

110. *Cakile maritima*.

112. *Raphanus raphanistrum*.

111. *Crambe maritima*.

113. *Reseda luteola*

114. *Reseda lutea*.115. *Reseda alba*.116. *Helianthemum guttatum*.117. *Helianthemum canum*.

118. *Helianthemum vulgare*.

121. *Viola odorata*.

119. *Helianthemum polifolium*.

122. *Viola hirta*.

120. *Viola palustris*.

123. *Viola canina*.

124. *Viola tricolor*.

125. *Polygala vulgaris*.

126. *Frankenia laevis*.

127. *Dianthus prolifer*.

128. *Dianthus armeria*.

129. *Dianthus deltoides*.

131. *Saponaria officinalis*.

130. *Dianthus cæsius*.

132. *Silene acaulis*.

133. *Silene inflata*.

134. *Silene otites*.

136. *Silene gallica*.

135. *Silene nutans*.

137. *Silene conica*.

138. *Silene noctiflora*.

139. *Lychnis vespertina*.

140. *Lychnis diurna*.

141. *Lychnis githago*.

142. *Lychnis flos-cuculi*.143. *Lychnis viscaria*.144. *Lychnis alpina*.145. *Sagina procumbens*.

146. *Sagina Linnæi*.

147. *Sagina nodosa*.

148. *Cherleria sedoides*.

149. *Arenaria verna*.

150. *Arenaria uliginosa*.

152. *Arenaria peploides*.

151. *Arenaria tenuifolia*.

153. *Arenaria serpyllifolia*.

154. *Arenaria ciliata*.

155. *Arenaria trinervis*.

157. *Holosteum umbellatum*.

156. *Mönchia erecta*.

158. *Cerastium vulgatum*.

159. *Cerastium arvense*.

161. *Cerastium trigynum*.

160. *Cerastium alpinum*.

162. *Stellaria aquatica*.

164. *Stellaria media*.

163. *Stellaria nemorum*.

165. *Stellaria uliginosa*.

166. *Stellaria graminea*.

167. *Stellaria glauca*.

168. *Stellaria holostea*.

169. *Spergularia rubra*.

170. *Spargula arvensis*.

171. *Polycarpon tetraphyllum*.

173. *Montia fontana*.

172. *Claytonia perfoliata*.

174. *Tamarix gallica*.

176. *Elatine hydropiper*.

175. *Elatine hexandra*.

177. *Hypericum calycinum*.

178. *Hypericum androsæmum*.179. *Hypericum perforatum*.180. *Hypericum dubium*.181. *Hypericum quadrangulum*.

182. *Hypericum humifusum*.

183. *Hypericum linariifolium*.

184. *Hypericum pulchrum*.

185. *Hypericum hirsutum*.

186. *Hypericum montanum*.

188. *Linum usitatissimum*.

187. *Hypericum elodes*.

189. *Linum perenne*.

190. *Linum angustifolium*.

191. *Linum catharticum*.

192. *Radiola millegrana*.

193. *Lavatera arborea*.

194. *Malva rotundifolia*.

195. *Malva sylvestris*.

196. *Malva moschata*.

197. *Althaea officinalis*.

198. *Althaea hirsuta*.199. *Tilia europaea*.200. *Geranium sanguineum*.201. *Geranium phœum*.

202. *Geranium sylvaticum*.

204. *Geranium pyrenaicum*.

203. *Geranium pratense*.

205. *Geranium robertianum*.

206. *Geranium lucidum*.

207. *Geranium molle*.

209. *Geranium rotundifolium*.

208. *Geranium pusillum*.

210. *Geranium dissectum*.

211. *Geranium columbinum*.

212. *Erodium cicutarium*.

213. *Erodium moschatum*.

214. *Erodium maritimum*.

215. *Oxalis acetosella*.

216. *Oxalis corniculata*.

217. *Impatiens noli-me-tangere*.

218. *Impatiens fulva*.

220. *Acer pseudo-platanus*.

219. *Acer campestre*.

221. *Ilex aquifolium*.

222 *Evonymus europæus*.

224. *Rhamnus frangula*.

223. *Rhamnus calharticus*.

225. *Ulex europæus*.

226. *Ulex nanus*.

228. *Genista pilosa*.

227. *Genista tinctoria*.

229. *Genista anglica*.

230. *Cytisus scoparius*.

232. *Ononis reclinata*.

231. *Ononis arvensis*.

233. *Medicago falcata*.

234. *Medicago sativa*.

235. *Medicago lupulina*.

236. *Medicago denticulata*.

237. *Medicago maculata*.

238. *Medicago minima*.

240. *Melilotus arvensis*.

239. *Melilotus officinalis*.

241. *Melilotus alba*.

242. *Trigonella ornithopodioides*.

244. *Trifolium arvense*.

243. *Trifolium incarnatum*.

245. *Trifolium stellatum*.

246. *Trifolium ochroleucum*.

247. *Trifolium pratense*.

248. *Trifolium medium*.

249. *Trifolium maritimum*.

250. *Trifolium striatum*.

252. *Trifolium scabrum*.

251. *Trifolium bocconi*.

253. *Trifolium strictum*.

254. *Trifolium glomeratum*.

255. *Trifolium suffocatum*.

256. *Trifolium resupinatum*.

258. *Trifolium fragiferum*.

257. *Trifolium subterraneum*.

259. *Trifolium repens*.

260. *Trifolium hybridum*.

261. *Trifolium procumbens*.

262. *Trifolium minus*.

263. *Trifolium filiforme*.

264. *Lotus corniculatus*.

266. *Anthyllis vulneraria*.

265. *Lotus angustissimus*.

267. *Astragalus hypoglottis*.

268. *Astragalus alpinus*.

269. *Astragalus glycyphyllos*.

270. *Oxytropis campestris*.

271. *Oxytropis uralensis*.

272. *Ornithopus ebracteatus*.

274. *Hippocrepis comosa*.

273. *Ornithopus perpusillus*.

275. *Onobrychis sativa*.

276. *Vicia hirsuta*.

277. *Vicia tetrasperma*.

278. *Vicia cracca*.

279. *Vicia sylvatica*.

280. *Vicia Orobus*.

281. *Vicia sepium*.

282. *Vicia lutea*.

283. *Vicia sativa*.

284. *Vicia lathyroides*.

285. *Vicia bithynica*

286. *Lathyrus Nissolia*.

287. *Lathyrus Aphaca*.

288. *Lathyrus hirsutus*.

**British Insects ; a Familiar Description of the**  
Form, Structure, Habits, and Transformations of Insects. By  
E. F. STAVELEY. Crown 8vo, 16 Coloured Plates, and  
numerous Wood-Engravings, 14s.

**British Butterflies and Moths ; an Introduction**  
to the Study of our Native LEPIDOPTERA. By H. T. STANTON.  
Crown 8vo, 16 Coloured Plates, and Wood-Engravings, 10s. 6d.

**British Beetles ; an Introduction to the Study**  
of our indigenous COLEOPTERA. By E. C. RYE. Crown 8vo,  
16 Coloured Plates, and 11 Wood-Engravings, 10s. 6d.

**British Bees ; an Introduction to the Study of**  
the Natural History and Economy of the Bees indigenous to  
the British Isles. By W. E. SHUCKARD. Crown 8vo, 16 Co-  
loured Plates, and Woodcuts, 10s. 6d.

**British Spiders ; an Introduction to the Study**  
of the ARANEIDÆ found in Great Britain and Ireland. By  
E. F. STAVELEY. Crown 8vo, 16 Coloured Plates, and 44  
Wood-engravings, 10s. 6d.

**British Grasses ; an Introduction to the Study**  
of the Grasses found in the British Isles. By M. FLUES.  
Crown 8vo, 16 Coloured Plates, and 100 Wood-Engravings,  
10s. 6d.

**British Ferns ; an Introduction to the Study**  
of the FERNS, LYCOPODS, and EQUISETA indigenous to the Bri-  
tish Isles. With Chapters on the Structure, Propagation, Cul-  
tivation, Diseases, Uses, Preservation, and Distribution of  
Ferns. By M. FLUES. Crown 8vo, 16 Coloured Plates, and  
55 Wood-Engravings, 10s. 6d.

**British Seaweeds ; an Introduction to the Study**  
of the Marine ALGÆ of Great Britain, Ireland, and the  
Channel Islands. By S. O. GRAY. Crown 8vo, 16 Coloured  
Plates, 10s. 6d.

## BOTANY.

**The Narcissus, its History and Culture, with**  
Coloured Figures of all known Species and Principal Varieties.  
By F. W. BURBIDGE, and a Review of the Classification by J.  
G. BAKER, F.L.S. Super-royal 8vo. 48 Coloured Plates, 32s.

---

**The Young Collector's Handbook of Botany.**  
By the Rev. H. P. DUNSTER, M.A., 66 Wood-Engravings,  
3s. 6d.

---

**The Natural History of Plants.** By H.  
BAILLON, President of the Linnæan Society of Paris, Professor  
of Medical Natural History and Director of the Botanical  
Garden of the Faculty of Medicine of Paris. Super-royal 8vo.  
Vols. I. to V., with 2300 Wood-Engravings, 25s. each.

---

**Domestic Botany; an Exposition of the**  
Structure and Classification of Plants, and of their uses for  
Food, Clothing, Medicine, and Manufacturing Purposes. By  
JOHN SMITH, A.L.S., ex-Curator of the Royal Botanic Gardens,  
Kew. Crown 8vo, 16 Coloured Plates and Wood-Engravings,  
16s.

---

**Handbook of the British Flora; a Description**  
of the Flowering Plants and Ferns indigenous to, or natural-  
ized in, the British Isles. For the Use of Beginners and  
Amateurs. By GEORGE BENTHAM, F.R.S. 4th Edition  
revised, Crown 8vo, 12s.

---

**British Wild Flowers, Familiarly Described**  
in the Four Seasons. By THOMAS MOORE, F.L.S. 24  
Coloured Plates, 16s.

---

**The Botanical Magazine; Figures and**  
Descriptions of New and Rare Plants of Interest to the Bota-  
nical Student, and suitable for the Garden, Stove, or Green-  
house. By Sir J. D. HOOKER, K.C.S.I., C.B., F.R.S.,  
Director of the Royal Gardens, Kew. Royal 8vo. Third  
Series, vols. I. to XXXIV., each 42s. Published Monthly,  
with 6 Plates, 3s. 6d. coloured. Annual Subscription, 42s.

RE-ISSUE of the THIRD SERIES in monthly vols., 42s. each; to  
Subscribers for the entire series, 36s. each.

**The Floral Magazine ; New Series, Enlarged**  
to Royal 4to. Figures and Descriptions of the choicest New  
Flowers for the Garden, Stove, or Conservatory. Vols. I to  
VII. in handsome cloth, gilt edges, each 42s. Monthly, with  
4 beautifully Coloured Plates, 3s. 6d. Annual Subscription,  
42s.

FIRST SERIES complete in 10 vols., with 560 beautifully Coloured  
Plates, £18 7s. 6d.

---

**Laws of Botanical Nomenclature adopted by**  
the International Botanical Congress, with an Historical In-  
troduction and a Commentary. By ALPHONSE DE CANDOLLE.  
2s. 6d.

---

**Contributions to the Flora of Mentone, and**  
to a Winter Flora of the Riviera, including the Coast from  
Marseilles to Genoa. By J. TRAEHNER MOGGRIDGE, F.L.S.  
Royal 8vo. Complete in one vol. with 99 Coloured Plates,  
63s.

---

**Flora Vitiensis ; a description of the Plants**  
of the Viti or Fiji Islands, with an Account of their History,  
Uses, and Properties. By Dr. BERTHOLD SEEMANN, F.L.S.  
Royal 4to, Coloured Plates, £8 5s.

---

**Flora of Mauritius and the Seychelles ; a**  
Description of the Flowering Plants and Ferns of those  
Islands. By J. G. BAKER, F.L.S. 24s. Published under the  
authority of the Colonial Government of Mauritius.

---

**Flora of British India ; By Sir. J. D. HOOKER,**  
K.C.S.I., C.B., F.R.S., &c. ; assisted by various Botanists.  
Parts I. to VI., each 10s. 6d. Vol. I. (Parts I. to III.),  
cloth, 32s. Published under the Authority of the Secretary  
of State for India in Council.

**Flora of Tropical Africa.** By DANIEL OLIVER, F.R.S., F.L.S. Vols I. to III., 20s. each. Published under the authority of the First Commissioner of Her Majesty's Works.

---

**Handbook of the New Zealand Flora; a Systematic Description of the Native Plants of New Zealand, and the Chatham, Kermadec's, Lord Auckland's, Campbell's, and Macquarrie's Islands.** By Sir J. D. HOOKER, K.C.S.I., F.R.S. Complete in one vol., 30s. Published under the auspices of the Government of that Colony.

---

**Flora Australiensis; a Description of the Plants of the Australian Territory.** By GEORGE BENTHAM, F.R.S., assisted by FERDINAND MUELLER, F.R.S., Government Botanist, Melbourne, Victoria. Complete in 7 vols., £7 4s. 0d. Vols. I. to VI., 20s. each; Vol. VII., 24s. Published under the auspices of the several Governments of Australia.

---

**Flora of the British West Indian Islands.** By Dr. GRISEBACH, F.L.S. 87s. 6d. Published under the auspices of the Secretary of State for the Colonies.

---

**Flora Hongkongensis; a Description of the Flowering Plants and Ferns of the Island of Hongkong.** By GEORGE BENTHAM, F.R.S. With a map of the Island, and a Supplement by Dr. HANCE. 18s. Published under the authority of Her Majesty's Secretary of State for the Colonies. The Supplement separately, 2s. 6d.

---

**Flora Capensis; a Systematic Description of the Plants of the Cape Colony, Caffraria, and Port Natal.** By WILLIAM H. HARVEY, M.D., F.R.S., Professor of Botany in the University of Dublin, and OTTO WILHEM SONDER, Ph.D. Vols. I. and II., 12s. each. Vol. III. 18s.

## Elementary Lessons in Botanical Geography.

By J. G. Baker, F.L.S., 3s.

---

## On the Flora of Australia, its Origin, Affinities and Distribution; being an Introductory Essay to the "Flora of Tasmania." By Sir J. D. Hooker, F.R.S., 10s.

---

## Genera Plantarum, ad Exemplaria imprimis in Herbariis Kewensibus servata definita. By GEORGE BENTHAM, F.R.S., F.L.S., and Sir J. D. Hooker, F.R.S., Director of the Royal Gardens, Kew. Vol. I. Part I. Royal 8vo, 21s. Part II., 14s.; Part III., 15s.; or Vol. I. complete, 50s. Vol. II. Part I. 24s.; Part II. 32s.; or Vol. II. complete, 56s.

---

## Illustrations of the Genus Carex. By FRANCIS BOOTT, M.D. Folio, 600 Plates. Part I., 12l. Parts II. and III., each 6l. Part IV., 12l.

---

## Illustrations of the Nueva Quinologia of Pavon, with Observations on the Barks described. By J. E. HOWARD, F.L.S. With 27 coloured Plates. Imperial folio, half morocco, gilt edges, 6l. 6s.

---

## The Quinology of the East Indian Plantations.

By J. E. HOWARD F.L.S., complete in one vol. folio. With 13 Coloured and 2 Plain Plates, and 2 Photo-prints, 84s. Parts 2 and 3, cloth, 63s.

---

## Revision of the Natural Order Hederaceæ, being a reprint, with numerous additions and corrections, of a series of papers published in the "Journal of Botany, British and Foreign," By BERTHOLD SEEMAN, Ph.D., F.L.S., 7 Plates, 10s. 6d.

---

## Icones Plantarum. Figures, with Brief Descriptive Characters and Remarks, of New and Rare Plants, selected from the Author's Herbarium. By Sir W. J. Hooker, F.R.S. New Series, Vol. V. 100 Plates, 31s. 6d.

**Orchids : and How to Grow them in India and other Tropical Climates.** By SAMUEL JENNINGS, F.L.S., F.R.H.S., late Vice-President of the Agri-Horticultural Society of India. Royal 4to. Complete in 1 Vol., cloth, gilt edges, 63s.

**A Second Century of Orchidaceous Plants,** selected from the Subjects published in Curtis's "Botanical Magazine" since the issue of the "First Century." Edited by JAMES BATEMAN, Esq., F.R.S. Complete in 1 vol. royal 4to, 100 Coloured Plates, 5*l.* 5s.

*Dedicated by Special Permission to H.R.H. the Princess of Wales.*

**Monograph of Odontoglossum, a Genus of the Vaudeous Section of Orchidaceous Plants.** By JAMES BATEMAN, Esq., F.R.S. Imperial folio, complete in 6 Parts, each with 5 Coloured Plates, and occasional Wood-Engravings, 21s. or in one vol., half morocco, gilt edges, 7*l.* 7s.

**Select Orchidaceous Plants.** By ROBERT WARNER, F.R.H.S. With Notes on Culture by B. S. WILLIAMS. Folio, with 40 Coloured Plates, cloth gilt, 7*l.* 7s. Second Series, complete, with 39 Coloured Plates, 7*l.* 7s. Third Series, Parts I. to III., each, 10s. 6*d.*

**The Rhododendrons of Sikkim-Himalaya ;** being an Account, Botanical and Geographical, of the Rhododendrons recently discovered in the Mountains of Eastern Himalaya, by Sir J. D. Hooker, F.R.S. By Sir W. J. Hooker, F.R.S. Folio, 30 Coloured Plates, 4*l.* 14s. 6*d.*

**Botanical Names for English Readers.** By RANDAL H. ALCOCK. 8vo, 6s.

**Outlines of Elementary Botany, as Introductory to Local Floras.** By GEORGE BENTHAM, F.R.S., President of the Linnæan Society. New Edition, 1s.

**British Grasses ; an Introduction to the Study** of the Gramineæ of Great Britain and Ireland. By M. PLUM. Crown 8vo, with 16 Coloured Plates and 100 Wood Engravings, 10s. 6*d.*

## FERNS.

**British Ferns; an Introduction to the Study** of the FERNS, LYCOPODS, and EQUISETA indigenous to the British Isles. With Chapters on the Structure, Propagation, Cultivation, Diseases, Uses, Preservation, and Distribution of Ferns. By M. PLUKS. Crown 8vo, with 16 Coloured Plates, and 55 Wood-Engravings, 10s. 6d.

---

**The British Ferns; Coloured Figures and Descriptions**, with Analysis of the Fructification and Venation of the Ferns of Great Britain and Ireland. By Sir W. J. HOOKER, F.R.S. Royal 8vo, 66 Coloured Plates, 2l. 2s.

---

**Garden Ferns; Coloured Figures and Descriptions**, with Analysis of the Fructification and Venation, of a Selection of Exotic Ferns, adapted for Cultivation in the Garden, Hothouse, and Conservatory. By Sir W. J. HOOKER, F.R.S. Royal 8vo, 64 Coloured Plates, 2l. 2s.

---

**Filices Exoticæ; Coloured Figures and Description** of Exotic Ferns. By Sir W. J. HOOKER, F.R.S. Royal 4to, 100 Coloured Plates, 6l. 11s.

---

**Ferny Combes; a Ramble after Ferns in the Glens and Valleys of Devonshire.** By CHARLOTTE CHANTER. *Third Edition.* Fcap. 8vo, 8 Coloured Plates and a Map of the County, 5s.

---

## MOSESSES.

**Handbook of British Mosses**, containing all that are known to be natives of the British Isles. By the Rev. M. J. BECKLEY, M.A., F.L.S. 24 Coloured Plates, 21s.

---

**Synopsis of British Mosses**, containing Descriptions of all the Genera and Species (with localities of the rarer ones) found in Great Britain and Ireland. By CHARLES P. HOBKIRK, President of the Huddersfield Naturalist's Society. Crown 8vo, 7s. 6d.

## SEAWEEEDS.

**British Seaweeds; an Introduction to the Study of the Marine ALGÆ of Great Britain, Ireland, and the Channel Islands.** By S. O. GRAY. Crown 8vo, with 16 Coloured Plates, 10s. 6d.

---

**Phycologia Britannica; or, History of British Seaweeds,** containing Coloured Figures, Generic and Specific Characters, Synonyms and Descriptions of all the Species of Algæ inhabiting the Shores of the British Islands. By Dr. W. H. HARVEY, F.R.S. New Edition. Royal 8vo, 4 vols. 360 Coloured Plates, 7l. 10s.

---

**Phycologia Australica; a History of Australian Seaweeds,** comprising Coloured Figures and Descriptions of the more characteristic Marine Algæ of New South Wales, Victoria, Tasmania, South Australia and Western Australia, and a Synopsis of all known Australian Algæ. By Dr. W. H. HARVEY, F.R.S. Royal 8vo, 5 vols, 300 Coloured Plates, 7l. 13s.

---

## FUNGI.

**Outlines of British Fungology,** containing Characters of above a Thousand Species of Fungi, and a Complete List of all that have been described as Natives of the British Isles. By the Rev. M. J. BERKELEY, M.A., F.L.S. 24 Coloured Plates, 30s.

---

**The Esculent Funguses of England.** Containing an Account of their Classical History, Uses, Characters. Development, Structure, Nutritious Properties, Modes of Cooking and Preserving, etc. By C. D. BADHAM, M.D. Second Edition. Edited by F. CUREY, F.R.S. 12 Coloured Plates, 12s.

---

**Illustrations of British Mycology,** comprising Figures and Descriptions of the Funguses of interest and novelty indigenous to Britain. By Mrs. T. J. HUSSEY. Royal 4to, Second Series, 50 Coloured Plates, £4 10s.

---

**Clavis Agaricinarum; an Analytical Key to the British Agaricini,** with Characters of the Genera and Subgenera. By WORTHINGTON G. SMITH, F.L.S. Six plates. 2s. 6d.

## SHELLS AND MOLLUSKS.

**Testacea Atlantica ; or, the Land and Fresh-water Shells of the Azores, Madeiras, Salvages, Canaries, Cape Verdes, and Saint Helena.** By T. VERNON WOLLASTON, M.A., F.L.S. Demy 8vo, 25s.

---

**Elements of Conchology ; an Introduction to the Natural History of Shells, and of the Animals which form them.** By LOVELL REEVE, F.L.S. Royal 8vo, 2 vols. 62 Coloured Plates, £2 16s.

---

**Conchologia Iconica ; or, Figures and Descriptions of the Shells of Mollusks, with remarks on their Affinities, Synonymy, and Geographical Distribution.** By LOVELL REEVE, F.L.S., and G. B. SOWERBY, F.L.S., complete in 20 Vols. 4to, with 2727 Coloured Plates, half calf, £178.  
A detailed list of Monographs and Volumes may be had.

---

**Conchologia Indica ; Illustrations of the Land and Freshwater Shells of British India.** Edited by SYLVANUS HANLEY, F.L.S., and WILLIAM THEOBALD, of the Geological Survey of India. 4to, Parts I. to VIII., each with 20 Coloured Plates, 20s., or complete in one vol., cloth, £8 5s.

---

**The Edible Mollusks of Great Britain and Ireland, with the Modes of Cooking them.** By M. S. LOVELL. Crown 8vo, with 12 Coloured Plates, 8s. 6d.

---

## INSECTS.

**The Larvæ of the British Lepidoptera, and their Food Plants.** By OWEN S. WILSON. With Life-sized Figures drawn and coloured from Nature by ELEANORA WILSON. Super-royal 8vo. Parts I. to IV., each, with 8 elaborately coloured Plates, 12s. To be completed in Five Parts. Sold only to subscribers for the complete work. Subscription for the whole, if paid in advance, 50s.

**British Insects. A Familiar Description of**  
the Form, Structure, Habits, and Transformations of Insects.  
By E. F. STAVELEY, Author of "British Spiders." Crown  
8vo, with 16 Coloured Plates and numerous Wood-Engravings,  
14s.

---

**British Beetles ; an Introduction to the Study**  
of our Indigenous COLEOPTERA. By E. C. RYE. Crown 8vo,  
16 Coloured Steel Plates, and 11 Wood-Engravings, 10s. 6d.

---

**British Bees ; an Introduction to the Study**  
of the Natural History and Economy of the Bees indigenous  
to the British Isles. By W. E. SHUCKARD. Crown 8vo,  
16 Coloured Plates, and Woodcuts of Dissections, 10s. 6d.

---

**British Butterflies and Moths ; an Introduc-**  
tion to the Study of our Native LEPIDOPTERA. By H. T.  
STANTON. Crown 8vo, 16 Coloured Plates, and Wood-  
Engravings, 10s. 6d.

---

**British Spiders ; an introduction to the Study**  
of the ARANEIDÆ found in Great Britain and Ireland. By  
E. F. STAVELEY. Crown 8vo. 16 Coloured Plates, and 44  
Wood-Engravings, 10s. 6d.

---

**Harvesting Ants and Trap-door Spiders ;**  
Notes and Observations on their Habits and Dwellings. By  
J. T. MOGGRIDGE, F.L.S. With a SUPPLEMENT of 160 pp.  
and 8 additional Plates, 17s. The Supplement separately,  
cloth, 7s. 6d.

---

**Insecta Britannica ; Vol. III., Diptera. By**  
FRANCIS WALKER, F.L.S. 8vo, with 10 Plates, 25s.

**Curtis's British Entomology.** Illustrations and Descriptions of the Genera of Insects found in Great Britain and Ireland, containing Coloured Figures, from Nature, of the most rare and beautiful Species, and in many instances, upon the plants on which they are found. 8 vols. Royal 8vo, 770 Coloured Plates. £28.

**Or in Separate Monographs.**

"Curtis's Entomology," which Cuvier pronounced to have "reached the ultimatum of perfection," is still the standard work on the Genera of British Insects. The Figures executed by the author himself, with wonderful minuteness and accuracy, have never been surpassed, even if equalled. The price at which the work was originally published was £43 16s.
